

INTERNSHIP OFFER LETTER

Date: 25-08-2026

ID: CDAM/09-26/IP024

Dear **Pauline**,

We are pleased to offer you the position of **Machine Learning Intern at CDAM | Chuka University**. Your technical aptitude, analytical abilities, and interest in machine learning have impressed us. We are excited to welcome you to our internship programme effective from 1st September 2026 to 1st October 2026.

During the internship, you will gain hands-on experience in the machine learning lifecycle, including data preprocessing, feature engineering, model development, evaluation, interpretation and deployment. You will work with tools such as Python, R, Positron, VS code, RStudio, and Jupyter Notebook through project-based learning. You will also gain practical experience with regression, classification, clustering, ensemble learning, and Explainable AI (XAI).

We congratulate you once again and look forward to supporting your technical, analytical, and problem-solving skills throughout the internship.

Welcome to CDAM | Chuka University.

Best Regards,

D.K. Muriithi
